

SelectHealth Share®

SelectHealth Share aims to improve your health through commitments called engagements and keep premiums low.

We've created the checklist on the next page to help you complete your engagements and live the healthiest life possible.

Your Complete Care includes specialists, a free nurse line, telehealth access through Intermountain Connect Care, and pharmacies nationwide. There are over 5,100 providers on the Share network.

Wondering whether your current doctor or neighborhood clinic participates with SelectHealth Share? To find out, visit selecthealth.org/providers. Filter your results by choosing SelectHealth Share from the network drop-down menu.

NEED HELP?

Need help finding a doctor or making an appointment?

PRIMARY CARE PROVIDERS

A Primary Care Provider (PCP) sees patients for common medical problems, performs routine exams, and helps prevent or treat illness. You can trust a PCP to know your health history, be your partner in preventive care, and help you find other doctors when you need them.

INTERMOUNTAIN CONNECT CARE®

Visit a provider 24/7 via live online video. Most plans cover this service and you'll never pay more than \$49. Check your ID card or member materials for coverage information.

INTERMOUNTAIN INSTACARE®

What's open late and costs less than the ER? Our InstaCare® and KidsCare® clinics. If you need urgent care, these are great options.

HOSPITALS

Our hospitals span Utah, offering great care and services. Think heart care, cancer treatment, transplant services, women and newborns, and much more—you name it, they can treat it.

SPECIALISTS

When you need more than your PCP, our network of specialists and surgeons can help—and there are thousands to choose from.

LOCAL CLINICS

Intermountain community clinics and contracted clinics are in your area, so you never have to drive far to get the care you need. Plus, some clinics have extended hours!

EMERGENCY CARE

If you have an emergency, call 911 or go to the nearest hospital—we've got you covered anywhere you are.

INTERMOUNTAIN HEALTH ANSWERS®

Our free nurse line is available 24/7 to ease your mind. Call **844-501-6600** about any condition.

SelectHealth Share Checklist

90 DAYS

YOUR FIRST 90 DAYS* (ALL EMPLOYEES)

Create a member account at selecthealth.org. This is key to accessing your Healthy Living tools and tracking your engagements. It's your health hub.

Pick your Primary Care Provider (PCP). Once you choose your provider, make sure to tell us via the SelectHealth member portal or by calling Member Services at **800-538-5038**. Establishing a PCP is critical so you can get appointments when you need care or referrals.

Attend a work-site health screening event or obtain the screening from a physician. This is how we establish your health baseline and figure out the best plan for you.

Complete the annual online health assessment on the Healthy Living website (via your SelectHealth member account). Your assessment can identify health risks so you can address them sooner rather than later.

Establish and contribute to a Health Savings Account (HSA). This is for those of you who have a High Deductible Health Plan and contribute at least 25% of your annual deductible. Consider this your health bucks account—a real lifesaver when you need it.

YOUR FIRST NINE MONTHS* (ALL EMPLOYEES)

Complete one online digital health coaching "Journey." Log in to the SelectHealth member portal, find "Enroll in Digital Coaching" on your Member Checklist, and complete a "Journey" in Virgin Pulse.

Get moving with Virgin Pulse. This is a two-part engagement. First, create a Virgin Pulse account. This is where you track your activity. Then, complete at least two campaigns (eight total weeks of activity) through the options below. **Note:** You can't get credit for both a Company/Activity Challenge and 7,000 Steps in the same month.

- > 7,000 Steps—Take 7,000 steps for 20 days within the same calendar month (completion counts as one campaign).
- > Company/Activity Challenges—Challenges last for four weeks (completion counts as one campaign).
- > Healthy Habit Challenges—These challenges last for one week each month (completing four of these challenges counts as one campaign).

*of the plan year

A FEW EXTRAS

For employees who have certain conditions or are of a specific age and/or gender, there are a few special engagements that will help you feel your best. And because we care, these are also required within the first nine months of your plan year.

Complete age- and gender-based screenings

- > Women age 42-69: One mammogram every two years.
- > Women age 24-64: One Pap test every three years.
- > Men and women age 51-80: One colonoscopy every 10 years, or other colorectal cancer screening once every 1-5 years.

Complete prediabetes education.

If your health screening/assessment indicates you have prediabetes, you will need to complete prediabetes education. Plus, we'll reward you for improving your health with a Healthy RewardsSM Visa[®] cash card.

Take advantage of these educational opportunities:

- > Meet with your PCP and discuss options to avoid prediabetes.
- > Attend Intermountain Healthcare's Prediabetes 101 class.
- > Complete three Medical Nutrition Therapy visits.
- > Complete The Weigh to Health[®] program.
- > Meet twice with a SelectHealth Wellness Coach (visits must be at least 30 days apart).

Participate in disease management.

If you have asthma, diabetes, Chronic Obstructive Pulmonary Disease (COPD), or heart failure, you may need to work with a SelectHealth care manager. Plus, we'll reward you for improving your health with Healthy Rewards Visa cash cards.
